# US Kids Golf Junior Academy

The Junior Academy is designed to provide quality golf instruction in a safe and fun learning environment. Providing classes with 6 students or less establishes a platform for the junior golfer to excel by building quality relationships with fellow academy students, as well as their Instructor. The US Kids Golf Learning Program helps junior golfers of all levels build fundamentals, learn rules, etiquette, and develops the student's overall skills by using goals and achievements to drive motivation. Our online sign-ups provides convenience to parents by allowing them to choose which day and time works best in their child's schedule.
